ABWA And You!

Our Commitment to Women

AT A GLANCE

The American Business Women's Association (ABWA) was established in 1949 to give women like you access to leadership, networking, and recognition opportunities—the three basic elements of career achievement. Through online business courses, insightful and timely seminars, and the opportunity to be part of both a local and national organization, ABWA has become the place to be for women who want to connect, learn and grow.

Whether you are starting a new business, replacing that dead-end job, or taking your career to the next level, it is critical that you claim and live your dreams. And in the American Business Women's Association, our community of likeminded women will propel you forward in achieving your personal and professional best.

A WINNING COMBINATION

As a member, you will have the opportunity to:

- **GROW** your personal and professional network.
- **BE MORE EFFECTIVE** on and off the job by learning, rehearsing and mastering the skills valued in business today.
- **STAY INFORMED** by attending monthly league meetings, registering for national conference events or webinars, and by reading Women in Business®, ABWA's exclusive magazine publication.
- **REGISTER** for one of sixty courses available in Apex Campus, ABWA's learning portal available 24/7 to fit your busy schedule.
- **SAVE MONEY** on business products and services with member only discounts provided by ABWA's corporate sponsors.

Whether you are starting a new business or looking to advance your career, the American Business Women's Association is the place to be for women who want to connect, learn and grow.
